

Family Child Care Environment Shot List

Listed below are examples of the types of pictures we are looking for. Please do not include any images with children in them.

- Display (artwork, posters, charts, displays related to what is currently being taught, sculptures & 3D work completed by children)
- Cozy & calming areas
- Photos that capture the layout of your space
- Posted schedules, routines and expectations
- Dramatic play area
- Reading & book areas
- Soft furnishings (carpets, rugs, couches, bean bags)
- Gross motor spaces
